FUND DESCRIPTION	AMOUNT
General Memorial Fund: Used for general funding of Memorialization, Charitable and Educational Programs approved by the membership. All donations not directed to a specific project or program go into this fund.	\$ _____
Memorialization Project: Also known as the "Gravestone Project" because it funds cleaning and restoration of old Delano family gravestones, this fund is dedicated to locating, managing, establishing, erecting, preserving, restoring and/or other related actions for various types of signs and memorials that are relevant to the Delano family as approved by the Board.	\$ _____
ALDEN Building Campaign: As a founding family of Duxbury, MA, the Delanos, sadly, do not have a presence or rallying point in town as the Alden family does. This "Matching Grant" fund will support the construction of an addition in 2022-2023 to the Alden Barn. The addition to the Alden Barn will: allow visitors to learn more about the Delano family through permanent exhibits; provide a modern facility for the Delano Kindred to comfortably hold its future annual meetings in Duxbury; through its planned state-of-the-art video and Internet technologies, allow the Delano Kindred to stream its meetings to its members around the world and partner with the Alden family on planned monthly presentations on the topics on the colonial period. The Delano Kindred will match Alden Building Campaign donations 1 for 1 until the total available match amount of \$11,000 has been reached. The combined amounts will be periodically forwarded to the Alden Building Campaign as donations from the Delano Kindred.	\$ _____
Plimoth-Patuxet Museums Support Fund: Formerly the Plimoth Plantation, this is a living history museum in Plymouth, Massachusetts, that includes a "to-scale" reproduction of the 1627 Pilgrim Village with in-character interpreters. Philip De Lanoy lived in the Cooke house with his Uncle Francis and Aunt Hester. The Delano Kindred contributes to this living museum annually.	\$ _____
Delano Kindred Website Program: This fund helps support and improve our website, www.delanokindred.us . Our website is critical for maintaining membership information as well as providing news, information and research material.	\$ _____
