*Learning about DELANO history and genealogy*

---

The DELANO KINDRED is a Society, incorporated in the Commonwealth of Massachusetts, organized exclusively for educational and charitable purposes to perpetuate the memory and genealogy of the ancestors and descendants of Philippe de Lanoy, the progenitor of most DELANOs in the Americas, who arrived at Plymouth in 1621 on the FORTUNE.

### **Presidents Message – Tom Delano**

I hope you all had a very blessed and joyous Christmas, and 2023 has started off well for each of you. Please let me start by apologizing for the delay in sending you this edition of the newsletter. Our goal is to publish the newsletter each month, however, my travels in November and December, and my other volunteer commitments prevented me from submitting my articles until January. We'll try and do better!

Since our last October 2022 newsletter, we have had much to talk about. 2023 is shaping up to be a busy year for Delano Kindred and we hope you will find time to become involved in some way this year.

## Update on The Delano European History Tour – September 2023

Those of you who attended, or tuned into, the September 2022 Annual Meeting in Delano, Minnesota, heard about The Delano European History Tour planned for September 19 – 28 2023. I am pleased to report that we have 16 tour members registered as of January 1, 2023.

Our goal is to have approximately 24 tour members registered for the tour, so we are about 2/3rds of the way to our goal. This is very good news indeed! For those of you thinking about a 2023 visit to Europe, there is still plenty of time to sign up. For those of you who are not familiar with the Delano European History Tour, we have just launched a webpage that will give you an overview of this tour and a complete itinerary.

### **The weblink is:**

<https://www.lifeisgoodgocruising.com/FitBuilders/view/1722>

The tour planning team has worked closely with our travel planner, Wendy Cushing, to develop what we believe will be an informative, educational and fun tour. **If you have any questions about this tour or wish to know more, then please contact Wendy at 508-888-1203 and she will gladly answer your questions.**

Speaking for the officers and board, we wish to thank the Delano European History Tour planning team: Terri Sorensen, George English, William English, CBE, and Tom Delano. We worked on this project for over a year to pull together what we believe will be a moving and memorable experience for all tour members. I would also like to offer sincere thanks to George English for his presentation on his newly published book ***The Delano and Cooke Ancestors***, and the Delano European History Tour, presented on November 4,

2022. The book represents the culmination of George's research over 18 years, 2004 - 2022. Journeying between the UK and mainland Europe, researching over 40 documents, some previously undiscovered, and with text from the 16th and 17th centuries in multiple European languages, George has engaged with numerous local archivists and historians in their hometowns and churches frequented by Delano and Cooke ancestors. All George's interlocutors have been fascinated and hugely supportive of the work he has been undertaking, particularly as it has enhanced their own historic and tourist aspects of local interest and connected them to the 'New World'.

Unrequested, George took on this book project, inspired by the work of late family members in England and the United States of America. As a professionally trained genealogist and director of the family history service, Research Through People, George is well placed to advance our Delano European Ancestry, which he has been able to do. I highly recommend the book '**The Delano and Cooke Ancestors**' as you will find it particularly interesting if you are signing up for the Delano European History Tour. The book is available in the Delano Kindred online store, and on Amazon should you wish to purchase a copy. George's research has undoubtedly furthered our knowledge of Delano's European history, and we are extremely grateful to him for bringing our past to life.

## Call for Volunteers!

The Delano Kindred, like all of the family lineage societies, relies on its members to volunteer to take on the important duties of keeping our organization moving forward. We are always looking for volunteers to carry out these duties, and you may see the current list of officers, directors, committee chairs, and committee members at the end of this newsletter. **The Delano Kindred is currently seeking volunteers for the following positions: Treasurer, Social Media (Chr. and Facebook Admin.), and Historian.** Over the next year, we will likely have other committee and officer positions open up.

If you are interested in volunteering your time, your skills, and your energy to the Delano Kindred, then please contact either me, Tom Delano ([tom.delano@gmail.com](mailto:tom.delano@gmail.com)), or one of the officers or Directors. We would love to know your interest in volunteering for a position, either right now, or in the coming years. Thanks!
